A Computer Engineering student at Dwarkadas J. Sanghvi College of Engineering.

## EXPERIENCE

JAN 2020 – PRESENT

### **CODING DEPARTMENT MEMBER**, DJS ANTARIKSH

I work as a coding department member at DJS Antariksh which is a student team at DJSCOE. We make Martian Rovers and participate in various competitions across the world. My responsibility as a member of this team is to create a Graphical User Interface (GUI) for controlling the rover remotely, to display rover statistics and to display all the test results conducted by the rover.

### PROJECTS

#### **TIC TAC TOE**, JAVA

IT'S A BASIC INPUT GAME WHERE YOU ENTER THE POSITION WHERE YOU WANT TO PUT 'O' OR 'X'. THE PROGRAM PLACES YOUR CHARACTER AT THE DESIRED POSITION AND CHECKS IF EITHER PLAYER HAS WON.
